Searches Practical Conveyancing.co.uk 4 Searches & Enquiries Why make searches? Before

becoming legally bound to buy a property, a prudent buyer should carry out all the searches that are relevant to that property. Indeed, the standard conditions of sale incorporated into the sale contract will normally state that the property is sold subject to all

### **Searches & Enquiries - Practical Conveyancing**

Conveyancing enquiries (or simply enquires) are the questions raised by the Conveyancer acting for the buyer in a property transaction. These questions are asked to help the buyer's Conveyancer to understand any potential legal issues that may affect the property that the buyer and or their mortgage lender may need to be aware of before committing to purchasing the property.

Searches. Your conveyancer will carry out required searches, including a Local Authority Search. These provide essential information about the property, such as: The property boundary. Disputes. Rights of way. Planning constraints or permissions. Depending on the property and its location, other searches may also be required.

### **Stages of the Conveyancing process | reallymoving**

When are searches ordered? Most searches are ordered / requested as soon after you've had your offer formally accepted. This is assuming you've already instructed conveyancing solicitors to represent you, and you've sent them your search deposit monies (approx. £250-£300).. Some specific searches such as HS2 or more in-depth flooding searches may not be requested until later in the ...

### **Conveyancing Searches: All you need to know (in 2020 ...**

Conveyancing searches As part of property transactions, the conveyancer 's role is to carry out due diligence by submitting queries - known as searches - about the transacted property. These are designed to uncover factors the estate agent or surveyor may not know about, which could impact the buyer's enjoyment of the property .
