Doughnut Economics: Seven Ways to Think Like a 21st ...

In Doughnut Economics: Seven Ways to Think Like a 21st-Century Economist, Kate Raworth offers a new model for economics, based around the 'doughnut', which values human well-being and advocates for a 'regenerative and distributive economy'. While the book holds multidisciplinary promise and Raworth draws upon appealing and evocative metaphors and examples to convey economic concepts in accessible terms, Maria Zhivitskaya remains unconvinced of the doughnut's transformative potential.
