Ireland has a thriving scene of folk, classical, and contemporary music. The Fleadh Cheoil na hÉireann is an Irish folk music festival held every year in Ireland to promote Irish folk music. Traditional Irish folk elements are often incorporated in the other genres of music prevalent in the country.

The Culture Of Ireland - WorldAtlas

Only relatively recently in our own culture, five hundred years or so ago, did a distinction arise that cut society in two, forming separate classes of music performers and music listeners. Throughout most of the world and for most of human history, music making was as natural an activity as breathing and walking, and everyone participated.

The Role of Music in Human Culture - Thought Economics

Music in Ireland is one of several case-study volumes that can be used along with Thinking Musically, the core book in the Global Music Series. Thinking Musically incorporates music from many diverse cultures and establishes the framework for exploring the practice of music around the world. It sets the stage for an array of case-study volumes, each of which focuses on a single area of the world.
